North Vancouver, BC

Note: This service is for youth ages 6-18 with addiction and/or mental health issues. There are four programs out of this office: (1) Jump Start is a substance use day program for youth ages 13-24. North Shore kids who have been kicked out of school for substance use are recommended to enrol in Jump Start. This program also facilitates parent support groups, family counselling, and referrals to other programs. (2) Youth Concurrent Disorders Program is for youth with co-existing addiction and mental illness (3) Therapeutic Day Program is for students who are struggling with regular schooling. It is not addiction or mental health therapy-focused per se but rather focused on school curriculum. (4) Child and Adolescent Program is for kids who have a mental illness. Individual and group counselling services are provided.
